Apollo

The Apollo is a premium, open roll, folding arm awning with a difference, providing versatility in size and flexibility in installation at a fantastic price point.

Suitable for wider widths, the Apollo units can be joined together to achieve spans up to 12m, and features mounting flexibility through the use of a square back bar. The Apollo is available with a hood profile or the option of a semi-cassette. It also features the optional drop arm bracket allowing the awning to project out further than its width, making it perfect for small courtyards and limited space.

Ra

Featuring stylish European design, the Ra is a beautiful, high quality, full cassette folding arm awning. Providing the very best in protection for your awning, the full cassette completely encloses the fabric roll and arms leaving a stylish addition to a home or business. Also featuring hidden fastenings and a more streamlined colour coordination, the Ra really is a premium offer for a full cassette folding arm awning. Full customisation is possible with the Ra offering the option of custom powder coating, LED lighting kit, telescopic poles, custom printing and branding, and motorisation to complement and enhance your outdoor décor.

Automatic Lock Arm Awnings

The Blinds Gallery's range of automatic lock arm awnings is ideal for when you want to dress your windows on a budget.

This economical shading solution comes in a variety of different fabrics and colours, allowing you to customise your lock arm awnings to suit the décor of your home. Our high quality lock arm awnings are great for adding shade over doors, entryways and windows. They come with a range of options and features, including stainless steel components, motorisation, remotes or powder coated colouring.

Ravi Drop Arm Awning

The Ravi is a high quality drop arm awning that is perfect for controlling light and heat by shading even the largest of windows. Featuring a stylish aluminium full cassette, the fabric is well protected from the elements. Various levels of shade can be created throughout the day, changing from a window canopy that shades the window and building during the hottest parts of the day, to then lowering and completely covering the window as the sun gets lower or when more privacy is required.

The Ravi comes standard with pivot arms, however can be altered to a set of balcony arms, allowing the awning to be configured as a straight drop to a balcony or angled out to create more airflow. The Ravi is a very versatile and great looking option for window shading and an excellent choice for creating visual and thermal comfort in your home or office.
